Please complete the entire application. Failure to complete any section or to provide all required documentation will delay the review process. Incomplete applications will be returned for further information.

Required Information:

2. Documentation (**copies**) of income including Social Security, Federal tax return, W2, pay stubs, etc. for all members of the household is required.

Once the application has been completed and required documentation has been obtained, please return it to us. You will be notified of your eligibility. A new application will be required annually for re-enrollment.
